## Strange Sightings in East London School

Hague Primary School, Bethnal Green, has been visited by a range of strange creatures over the last week.

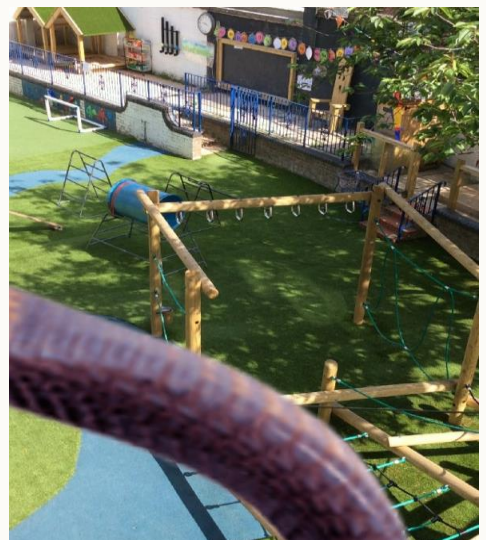

"I couldn't believe it when I checked the CCTV images," said School Keeper Lyall. "I have no idea where they could all be coming from."

Searching through recent recordings staff found evidence of at least 3 different monsters stalking the playground after hours.

"I don't believe there is any danger to the children, as our staff are very vigilant," explained Head of School Sue Walsh. "We are working very hard together to establish

## Where are they coming from?

The strange collection of monster sightings in one location is unprecedented. Could it be connected to the nearby Cross Rail excavations or are the monsters attracted by the friendliness of the school? Monster experts are being called in to help children and staff investigate.

## Report Your Sightings

If you spot anything unusual in the local area, please report it to the school office.

"We need all the help we can get to solve this mystery," requested Sue Walsh.
